

PROBATIONCOMM™

REPORT • PAY • COMMUNICATE

FASTER REPORTS, EASIER PAYMENTS, BETTER COMMUNICATIONS

We'd like to introduce you to ProbationComm, the first service to target the growing problem of excessive caseloads from both the Officer side **AND** the Offender side.

Caseloads too high?

Handle up to **500** low-level & indirect cases **per officer** *without* adding more time and effort.

What is ProbationComm?

ProbationComm is a hosted web service for Adult Probation. There's no software to install, maintain, or upgrade. ProbationComm can also work with your existing Case Management software.

What does ProbationComm do?

- Enables probationer **reporting** through the web
- Takes **payments** online using a credit card or e-check
- Facilitates better **Communication** through integrated email and Instant Message
- Reduces recidivism and technical revocation
- Reduces paper and paperwork

Independently Verified

An independent study, conducted by Dr. Howard Henderson at **Sam Houston State University**, concluded that ProbationComm would save Officers a significant amount of time. The report suggests that an officer should be able to **handle up to 500 cases** using ProbationComm without adding more work

Why ProbationComm?

- Handle **more cases** in less time
- **Save money** by hiring fewer new officers
- Proven to increase reporting rates
- Decrease the number of delinquent payments
- Easier to provide positive reinforcement to probationers
- **Increase revenue** with the assessment of convenience fees on each transaction
- Paid for by the Probationers by means of a low annual subscription fee
- **There is NO COST to the organization**
- Credit card transaction fees are charged back to the Probationer

Internet Reporting Starts **Here**™
